

# SHISHIR ADHIKARI

## SOFTWARE DEVELOPER

Nepal Pokhara, Buspark | adhikarishishir50@gmail.com | www.adhikarishishir.com.np

### SUMMARY

Full Stack Software Developer with hands-on experience in designing, developing, and deploying modern web applications. Skilled in MERN/PERN with a strong foundation in scalable backend systems and responsive frontend development. Proven track record of delivering high-quality software solutions and contributing to cross-functional teams. Passionate about clean code, performance optimization, and continuous learning.

### PROFESSIONAL EXPERIENCE

**Aarambha IT** Jun 2024 - Present

- *Healthcare System* – Built secure appointment and patient management for a hospital.
- *Café Site* – Crafted a modern, user-friendly frontend for a catering business with Stripe payments.
- *Static Business Site* – Delivered a sleek, static web presence for a bar & lounge with visual appeal.
- *Typography Platform* – Developed a complete solution for testing and downloading free fonts.
- *Tourism Promo Site* – Created an engaging website for an ultralight flight service with tour details.

**Skybase Innovations** Jul 2023 - May 2024

- *Single-Page Food Ordering App* – Fast and responsive single-page app for seamless food ordering.
- *Flight System* – Worked for Sasto Ticket, a leading flight booking platform in Nepal.

#### Personal Projects

- *Hospital Management System* – Designed a role-based Med Tracker using NestJS and Prisma to manage patient sessions, treatments, and doctor access control.
- *Media Downloader Tool* – Built a web-based tool (VibeCoding) to extract and download YouTube audio/video using Next.js and yt-dlp.
